

## **"FM" Flow Meters**

**GTP "FM"** plastic & bronze meters are essential to any flow system. These long life, low maintenance and high accuracy meters come in five standard sizes,  $\frac{1}{2}$ ",  $\frac{3}{4}$ ", 1", 1  $\frac{1}{2}$ " and 2". With your choice of Nylon or bronze bodies, cold and hot dry registers make these meters perfect for most industrial process applications.

Optional pulse outputs for signaling controllers or remote readers are also available (consult factory). See the charts on the back for available contacts.

**Building and distributing dependable, quality products for a technologically expanding industry**
