GENERAL TREATMENT
PRODUCTS

“GTP” Walchem Distributor

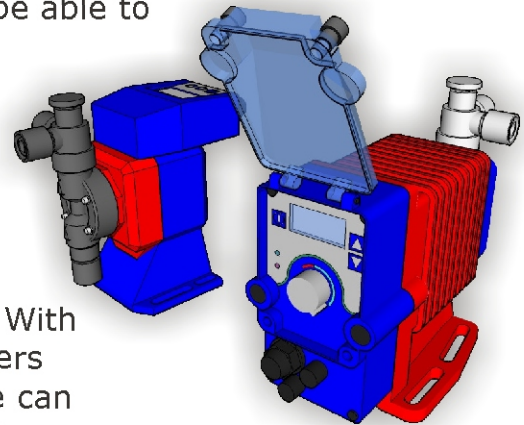

**GTP is the Walchem Distributor
for All of California!**

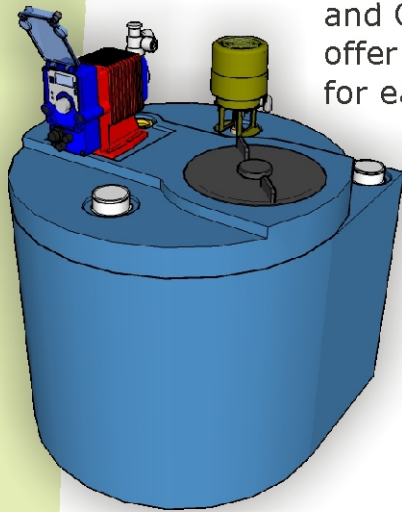

We are pleased to announce that **General Treatment Products, Inc.** is the new stocking distributor for **Iwaki Walchem Pumps and Controllers** for All of California.

In our new 1500 sq. ft. warehouse, we will stock an ample supply of pumps, controllers and parts so you will be able to provide them to your customers in a timely manner.

With our skilled technical abilities, we offer you assistance in providing the exact pump and/or controller for your customers' application.

And, don't forget about “GTP's” other products. With our full line of Tanks, Tank Stands, High Speed Mixers and Chemical Feed Stations, we can offer a complete treatment package for easy installation. We also offer a full line of Bypass/Filter Feeders and Coupon Racks for your “shot feed” and corrosion monitoring applications.

Contact us today for your **Walchem** and water treatment needs. With our technical abilities and prompt friendly service; you can't go wrong with **GTP!**

Manufacturing: Glycol Feed Packages, Bypass Filter Feeders, Separators and Separator Systems, Bromine Feeders, Corrosion Coupon Racks, Chemical Mixers, Tanks and Tank Stands.
